Getting Started with Crochet Flower Coasters

To embark on your crochet flower coaster project, you'll need a few essential supplies:

Yarn: Choose your favorite colors and materials. Cotton yarn is an excellent choice for coasters because it is absorbent and durable.

Crochet Hook: The size of your crochet hook will depend on the yarn you select. A smaller hook (such as 3.5mm) is typically suitable for creating tight stitches for coasters.

Scissors: A good pair of sharp scissors is essential for cutting yarn and finishing your project.

Yarn Needle: A yarn needle with a large eye is handy for weaving in loose ends and sewing components together.
