Materials Needed

To create your own heart granny square, you'll need the following materials:

Yarn: Choose your favorite color or a combination of colors.

Crochet hook: Select an appropriate size for your yarn, typically between 4mm to 6mm.

Scissors.

Yarn needle.

Stitch markers (optional).

Pattern:

Round 1: Begin with a magic ring (or chain 4 and join to form a ring). Inside the ring, crochet a set number of double crochet stitches. Usually, this round comprises 12 double crochets, but you can adjust the number to your preference. Close the ring and join with a slip stitch.

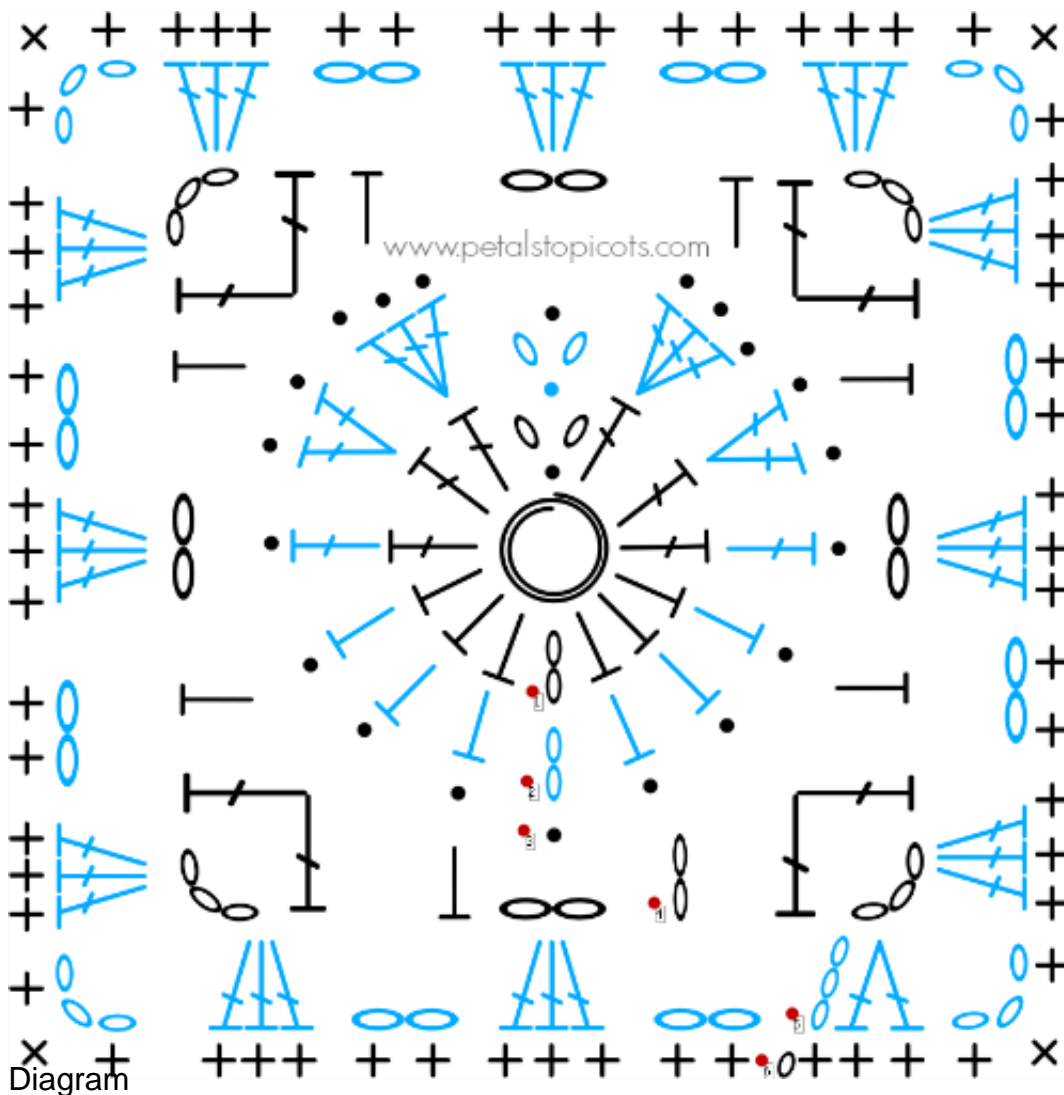

Round 2: In this round, you'll start forming the heart shape. Chain 3, which counts as a double crochet throughout the pattern. In the same stitch as the chain 3, work another double crochet. Then, create a chain space (typically 2 chains) and work 2 double crochets in the next stitch. Repeat this process around the circle, creating evenly spaced clusters of 2 double crochets separated by chain spaces. Join with a slip stitch to complete the round.

Round 3: This round further shapes the heart. Chain 3, and then, in the chain-2 space from the previous round, work 2 double crochets. In the next stitch, work 3 double crochets. Continue this pattern around the circle, paying attention to the bottom point of the heart. Here, you'll

typically work 3 double crochets, chain 3, and 3 double crochets to create a distinctive dip in the heart shape. Finish the round by joining with a slip stitch.

Round 4: To give your heart granny square a neat and finished look, add a single crochet border around it. Chain 1, work a single crochet in the same stitch, then continue with single crochets in each stitch around the square. In the chain-3 corner space, you'll typically work 3 single crochets to maintain a smooth edge. Join with a slip stitch, fasten off, and weave in any loose ends.
